New students by general pre-registration for the February call: 7 February 2024

Students enrolled in previous years: From 17 to 31 July 2024

For students from previous years who do not enroll in the autumn semester, an exceptional registration period will be opened ONLY for the spring semester from 16 to 20 December 2024 and from 8 to 24 January 2025. If you have any questions, consult the [enrollment manual](#).

1.3 Deadlines for handling applications for change of university and/or official university studies (by direct transfer without pre-registration)

- **Incorporation into the autumn semester (subject to availability of places):** From June 3 to August 2 and from September 2 to 13, 2024.
- **Incorporation to the spring semester (only for applications for change of university and subject to availability of places):** From December 16 to December 20, 2024 and from January 8 to 24, 2025.

2 Master's Degree Studies

As a general rule, Euncet enrollment is annual, so that the student enrolls only once for the entire academic year:

- **Pre-enrollment period** (new students 2024-25): From 15 January to 19 September 2024
- **Enrollment period** (all students in the 2024-25 academic year): From 15 July to 2 August and from 2 September to 26 September 2024

3 Periods common to Bachelor's and Master's degrees

As a general rule, Euncet enrollment is annual, so that the student enrolls only once for the entire academic year:

- **Application for recognition/validation of studies:** Until 30 September 2024
- **Application for continuity of studies** (students declared Unfit according to Permanence Regulations): Until July 30, 2024
- **Request for enrollment modifications for the autumn semester:** From 15 to 29 July and from 2 September to 16 September 2024
- **Request for enrollment modifications for the spring semester** (without economic impact, example: changes of groups): From 16 to 20 December 2024 and from 8 to 24 January 2025
- **Request for enrollment modifications for the spring semester** (implies economic impact, example: extension of enrollment): From 27 January to 7 February 2025

*In the spring semester, **a subject can only be removed from the enrollment if it is replaced by another.** It is allowed **to add subjects** to the enrollment and request **group changes.***

4 Deadlines for requesting the waiver of enrollment

As a general rule, enrollment cannot be waived, although in duly justified cases and only once, students may request a total waiver of enrollment and receive the academic services requested, provided that they do so within the period set out in the pricing policy for this academic year.
